Scythe;
Thunderhead; The

Toll Vertical Inc Adrienne prides herself for being smart, prim and proper. She doesn't go against the rules of society and refuse to even take a shot of Tequila. In other words: Conservative. Boring. Instead of having fun and letting her spirit run free, she spent almost all her life trying to gain her mother's approval, measuring up to her sister's greatness, and proving herself worthy of her boyfriend's love and attention. She's been lying to everybody, including herself, about who she really was. But no matter what she does, she just can't seem to live up to their expectations. And then she got fed up and decided to let loose. For just one night. She

left her eyeglasses, flat shoes, long skirt and knitted sweater behind. In high heels and a dress that accented her long legs and curves, she went to a club by herself and decided to find out what it was like to have a good time. Her night couldn't even be more perfect when Justin Adams, the city's most sought after bachelor, a.k.a. most notorious playboy fell prey to the charms she didn't even know she possessed. Justin was every girl's dream boat, but he never committed to a woman. He didn't date and didn't do relationships. So, Adrienne thought after that night, she didn't have to deal with him again. He would forget about her and her secret night of fun was safe with him. But what

she did not expect was that Justin wasn't about to let her go that easily. And what was supposed to be just a one-night stand with the City's most wanted playboy, became a full-blown secret affair. In the eyes of her friends and family, she had a boyfriend named Troy. But within the walls of her bedroom, she belonged to Justin. However, her new-found bliss would be threatened by the secrets that Justin keeps and the past that her parents kept from her. Soon, she will find out that she's been living her life with all the right intentions... but for all the wrong reasons.

Revell
Like its ambitious

companion novel, *Replica*, this far-reaching novel by the powerhouse author of *Before I Fall* and the *Delirium* trilogy digs deep into questions of how to be a human being in a world where humanity cannot be taken for granted. In the world outside of the Haven Institute, Lyra and Caelum are finding it hard to be human—and Lyra, infected at Haven with a terrible disease, finds her symptoms are growing worse. When Caelum leaves without warning, Lyra follows him, seeking a pioneering organization in Philadelphia that might have a cure. But what they uncover there is a shocking connection to their past, even as their future seems in danger of collapsing.

Though Gemma just wants to go back to her normal life after Haven, she soon learns that her powerful father has other plans for the replicas—unless she and her boyfriend Pete can stop him. But they soon learn that they aren't safe either. The Haven Institute wasn't destroyed after all, and now Gemma is the one behind the walls. Bestselling author Lauren Oliver brings the *Replica* duology to a shocking close in *Ringer*, but like both Gemma and Lyra, you won't be able to leave the world of Haven behind after you've turned the last page.

Count Lev Nikolayevich Tolstoy was born on

September 9, 1828 in Russia. He is usually referred to as Leo Tolstoy. He was a Russian author who is regarded as one of the greatest authors of all time. Leo Tolstoy is best known for his novels *War and Peace* (1869) and *Anna Karenina* (1877). Tolstoy's fiction includes dozens of short stories and several novellas such as *The Death of Ivan Ilyich*, *Family Happiness*, and *Hadji Murad*. He also wrote plays and numerous philosophical essays. Tolstoy had a profound moral crisis and spiritual awakening in the 1870's which he outlined in his work, *A Confession*. His literal interpretation of the ethical teachings of Jesus, centering on the Sermon on the Mount,

caused him to become a fervent Christian anarchist and pacifist. His ideas of nonviolent resistance which he shared in his works *The Kingdom of God is Within You*, had a profound impact on figures such as Mohandas Gandhi and Martin Luther King, Jr. On September 23, 1862 Tolstoy married Sophia Andreevna Behrs. She was the daughter of a court physician. They had 13 children, eight of whom survived childhood. Their early married life allowed Tolstoy much freedom to compose *War and Peace* and *Anna Karenina* with his wife acting as his secretary and proofreader. The Tolstoy family left Russia in the aftermath of the Russian Revolution and the

subsequent establishment of the Soviet Union. Leo Tolstoy's relatives and descendants moved to Sweden, Germany, the United Kingdom, France and the United States. Tolstoy died of pneumonia at Astapovo train station, after a day's rail journey south on November 20, 1910 at the age of 82.

The Struggle W. W. Norton & Company
 They got married ten days ago. They haven't had sex yet and they don't intend to. As it turned out, the only way to make their parents get off their backs about trying to "find someone" was actually finding someone--with whom to put marriage for show. Mutsuki is strictly gay and has a boyfriend, while Shoko is a clinical case of emotional instability who's in no shape for a relationship. They've each found in the other a perfect partner for a sham marriage. Since the conspirators' parents know of their own child's undesirability, but not

the spouse's, the union manages to please them. And while the newlyweds hope, in their own way, to live happily ever after, they inevitably come face to face with the fact that no marriage real or staged, is a fairy tale.
