experience was universal, Feminist Art paved the way for questioning exclusively white and exclusively heterosexual experience as well. Feminist Art also sought to rediscover artists. Frida Kahlo had been active in Modern Art but left out of the defining history of Modernism. Despite being an artist herself, Lee Krasner, wife of Jackson Pollock, was seen as Pollock's support until

she was rediscovered. Feminist Movement in Art: Expressing Women's Experience Painting and Mass Media. Beyond Pop. Discover how gender stereotypes from the mass media have been confronted and subverted by feminist artists in the past 50 years. The late 1960s saw a boom in the number of artists focusing on the construction of identity in the media,

challenging gender roles and rewriting the male-dominated traditions of art history. Feminism and media - Display at Tate Modern | Tate Feminism and Contemporary Art book. thought, or addresses some of feminist concerns implicitly. The course is structured around lectures and class d

HOME - Contemporary Art & Feminism
One of the great iconic works of this phase of feminist art is Judy Chicago's *The Dinner Party*, 1974-9. Later feminist artists rejected this approach and attempted to reveal the origins of our ideas of femininity and

womanhood. They pursued the idea of femininity as a masquerade – a set of poses adopted by women to conform to social expectations of womanhood.
