Ophthalmologists and Visual Scientist (A-Z) Lulu Press, Inc
The booming, modern metropolis of Phoenix is a city filled with the ghosts of its past. Discover the legend of the mysterious Hohokam tribe, whose people once inhabited the Pueblo Grande Ruins and later vanished. Learn about the spirits of the Smurthwaite House, which sits on the grounds of Phoenix's oldest cemetery. Hear the tales of the Pioneer Living Museum, a collection of historic buildings relocated from every corner of Arizona--and the spirits of the former residents that came along too. Take a peek inside the Mystery Castle, old train depots and eerie historic mansions. Author and paranormal historian Debe Branning delves into the history and mysteries of these desert tales.

Colloquial Hungarian (eBook And MP3 Pack) Simon and Schuster
The importance of the stagecoach is often overlooked amidst its romance and legend. It was, in fact, Arizona's first, and for a long while only means of public transportation. If you wanted to travel to or within the Territory in the early days, you had better own a horse or a horse and buggy, or be willing to do a lot of walking. With the advent of stage travel in the late 1860s, all that changed, at least for those well enough off to pay the stagecoach fare. Catch the Stage to Phoenix covers the history of stage-coaching in the early days of the Arizona Territory. Stages traveled from Prescott to Phoenix first via Wickenburg and later through the Black Canyon. The drivers, stage station operators and the travelers, as well, deserve medals for their fortitude and bravery.

The Doctor's Recreation Series Pine Rim Publishing LLC
When President George Washington fell ill six short weeks after his inauguration, he summoned Samuel Bard, one of the most prominent physicians of the day. Thereafter, when residing at his presidential home in Manhattan, Washington consistently relied on Bard for medical care. Thus Bard became the first in a line of presidential physicians, the providers of medical care for

America's chief executive. From George Washington to George W. Bush, this volume examines 217 years of health care in the White House and the men and women who ministered to these presidential patients. Beginning with that first presidential physician's visit on June 13, 1789, it analyzes the relationships--sometimes fruitful and sometimes disastrous--of the presidents with their physicians. While biographical sketches detailing the background of each physician are included, the main focus of the work is the especially complex physician-patient relationship and the ways in which it has changed over time. The evolution of the presidential physician's responsibilities is also discussed, as are developments in American medicine during presidential terms.

The Outlook The White House Doctor

C S Lewis is widely known worldwide, but often enthusiasts are only aware of one part of his work - his children's stories, perhaps, but not his science fiction, or his literary criticism; his popular theology but not his work for the BBC during the Second World War. This volume brings together all aspects of C S Lewis's life and thought. Arranged in alphabetical order, it goes from The abolition of man - a book Lewis wrote in 1943 and described as 'almost my favourite' to Wormwood, a character in The Screwtape Letters. This book will delight anyone who is interested in C S Lewis and wants to learn more about him, his thought, his works and his life.

Providing practical advice on home treatments, this accessible guide explains what can be done to relieve symptoms and, if possible, clear up the problem for many common medical conditions. Illustrated with step-by-step photographs, this book's well-rounded approach includes practical techniques, preventive measures, complementary remedies, and conventional medical treatments for use in the home. An integrated approach to health is increasingly popular among doctors and patients, and Home Doctor helps you use all of the information available to treat many common conditions at home. Practical and easy-to-use, it includes over one-hundred-and-fifty common symptoms, illnesses, and injuries with advice on when you can treat them safely and effectively and when to call a doctor. With basic first-aid procedures as well as a quick A-Z reference covering over-the-counter drugs and natural remedies, it's like having your own in-home healthcare provider 24/7.

The Directory of Historic House Museums in the United States is the first comprehensive guide to America's historic house museums. This directory moves beyond merely listing institutions to provide information about interpretive themes, historical and architectural significance, collections, and cultural and social importance, along with programming events and facility information. Useful cross-reference guides provide quick and easy

ways of locating information. This multi-functional reference is a useful tool to find information about and for contacting historic house museums.

The Franchise Annual Lion Books

This exciting volume brings together a wide range of perspectives on one of the most important and challenging areas of modern theology. There are entries on all the major themes of Christian feminist theology, including models of God and of the Church, ethics and spirituality, sexuality and liberation. Many of the entries push their respective discussions beyond the rigid boundaries of previous theological discourse. Together they present the far-reaching concerns of feminist theology in an accessible and stimulating way. The compendium is both a resource and an inspiration for scholars and students of feminist theology and for all those who are interested in this field of reflection and activity.

Colloquial Hungarian Jessica Kingsley Publishers

An autobiographical account of Dr. Isadore Rosenfeld-recounting his most memorable experiences as "America's Doctor" and Doctor to the Stars. Told with grace and humor, the many anecdotes in this book offer insight into what it is like to be a doctor during some of the most progressive eras of medicine. Doctor of the Heart is a unique and engaging portrait of this cardiologist's remarkable international medical career. Inspired at an early age to become a physician, Isadore Rosenfeld shares a lifetime of challenges, advances in patient care, and unique experiences that have enriched his life personally as well as professionally. This memoir captures an extraordinary career in medicine spanning more than sixty years and provides a compelling picture of a life dedicated to healing. Dr. Rosenfeld has authored more than a dozen books for the layperson, many of which were New York Times best-sellers. His weekly television broadcasts and contribution as Health Editor for Parade Magazine earned him beloved recognition as "America's Doctor."

Hearings Before Committee on Naval Affairs of the House of Representatives on Sundry Legislation Affecting the Naval Establishment 1929-30 [and 1930-31] Arcadia Publishing

Bestselling classic The Stories Julian Tells was just the beginning! Read more about imagination, family, and friendship in this chapter book series! It's Dad's birthday, and Julian wants to get a special present. Something Dad has always dreamed about. But Dad's dream is pretty unusual, not to mention scary. Now that Julian has figured out what his dad wants, will he, his little brother Huey, and his best friend, Gloria, be brave enough to get it? "If Julian had not already won readers' hearts with his [earlier] exploits, he will here." —The Bulletin
