Publisher Description

The Home Edit Springer Nature

The second edition of *Modern Brazilian Portuguese Grammar Workbook* is an innovative book of exercises and language tasks for all learners of Brazilian Portuguese. The book is divided into two sections: • Part A provides exercises based on essential grammatical structures • Part B practises everyday functions (e.g. making social contact, asking questions and expressing needs). A comprehensive answer key at the back of the book enables you to check on your progress. The *Modern Brazilian Portuguese Grammar Workbook* is ideal for all learners who have a basic knowledge of Brazilian Portuguese, including undergraduates taking Brazilian Portuguese as a major or minor part of their studies, as well as intermediate and advanced school, adult education and self-study students. While primarily intended for use in conjunction with *Modern Brazilian Portuguese Grammar: A Practical Guide*, it can also serve as an independent resource.

Portuguese For Dummies Jimmy Patterson

A riveting family saga, *The Story of Edgar Sawtelle* explores the deep and ancient alliance between humans and dogs, and the power of fate through one boy's epic journey into the wild. Born mute, speaking only in sign, Edgar Sawtelle leads an idyllic life with his parents on their farm in remote northern Wisconsin. For generations, the Sawtelles have raised and trained a fictional breed of dog whose thoughtful companionship is epitomized by Almondine, Edgar's lifelong companion. But with the unexpected return of Claude, Edgar's uncle, turmoil consumes the Sawtelle's once-peaceful home. When Edgar's father dies suddenly, Claude insinuates himself into the life of the farm – and into Edgar's mother's affections. Grief-stricken and bewildered, Edgar tries to prove Claude played a role in his father's death, but his plan backfires, spectacularly. Edgar flees into the vast wilderness lying beyond the farm. He comes of age in the wild, fighting for his survival and that of the three yearling dogs who follow him. But his need to face his father's murderer, and his devotion to the Sawtelle dogs, turn Edgar ever homeward. Wroblewski is a master storyteller, and his breathtaking scenes – the elemental north woods, the sweep of seasons, an iconic American barn, a ghost made of falling rain – create a family saga that is at once a brilliantly inventive retelling of Hamlet, an exploration of the limits of language, and a compulsively readable modern classic.

Brazilian Portuguese Course for Spanish Speakers, with Basic Reference Grammar Bantam

In this rollicking middle-grade adventure and national bestseller, Michael Fry's witty text and hysterical artwork combines superhero action with classic fish-out-of-water humor. Victor Spoil comes from a long line of famous supervillains and he's fully expected to join their ranks one day. But to his family's utter disappointment, Victor doesn't have a single bad-guy bone in his body. He won't run with scissors, he always finishes his peas, and he can't stand to be messy. Hopeless! As a last-ditch effort before they give up and let him be a -- gasp! -- civilian, Victor's exasperated parents send him to apprentice under a disgraced supervillain called The Smear. This matchup starts off as a complete disaster, but Victor and The Smear eventually find that they have a lot to learn from each other. When the stakes get high as Victor is forced to choose between his mentor and his family morals (or lack thereof) . . . what will the world's nicest bad guy do?

The Story of Edgar Sawtelle University of Texas Press

This book provides practical information about web archives, offers inspiring examples for web archivists, raises new challenges, and shares recent research results about access methods to explore information from the past preserved by web archives. The book is structured in six parts. Part 1 advocates for the importance of web archives to preserve our collective memory in the digital era, demonstrates the problem of web ephemera and shows how web archiving activities have been trying to address this challenge. Part 2 then focuses on different strategies for selecting web content to be preserved and on the media types that different web archives host. It provides an overview of efforts to address the preservation of web content as well as smaller-scale but high-quality collections of social media or audiovisual content. Next, Part 3 presents examples of initiatives to improve access to archived web information and provides an overview of access mechanisms for web archives designed to be used by humans or automatically accessed by machines. Part 4 presents research use cases for web archives. It also discusses how to engage more researchers in exploiting web archives and provides inspiring research studies performed using the exploration of web archives. Subsequently, Part 5 demonstrates that web archives should become crucial infrastructures for modern connected societies. It makes the case for developing web archives as research infrastructures and presents several inspiring examples of added-value services built on web archives. Lastly, Part 6 reflects on the evolution of the web and the sustainability of web archiving activities. It debates the requirements and challenges for web archives if they are to assume the responsibility of being societal infrastructures that enable the preservation of memory. This book targets academics and advanced professionals in a broad range of research areas such as digital humanities, social sciences, history, media studies and information or computer science. It

also aims to fill the need for a scholarly overview to support lecturers who would like to introduce web archiving into their courses by offering an initial reference for students.

Curso Basico de Português para Estrangeiros Oxford University Press, USA

Children learn languages quickly and easily while adults are ineffective in comparison -- A true bilingual is someone who speaks two languages perfectly -- You can acquire a language simply through listening or reading -- Practice makes perfect -- Language students learn (and retain) what they are taught -- Language learners always benefit from correction -- Individual differences are a major, perhaps the major, factor in SLA -- Language acquisition is the individual acquisition of grammar.

I Just Love MY FRIENDS! (Bilingual English-Portuguese) Taylor & Francis

Psychology Press

Becoming an effective IT manager presents a host of challenges--from anticipating emerging technology to managing relationships with vendors, employees, and other managers. A good IT manager must also be a strong business leader. This book invites you to accompany new CIO Jim Barton to better understand the role of IT in your organization. You'll see Jim struggle through a challenging first year, handling (and fumbling) situations that, although fictional, are based on true events. You can read this book from beginning to end, or treat it as a series of cases. You can also skip around to address your most pressing needs. For example, need to learn about crisis

management and security? Read chapters 10-12. You can formulate your own responses to a CIO's obstacles by reading the authors' regular "Reflection" questions. You'll turn to this book many times as you face IT-related issues in your own career.

A Beginner's Course in Spoken Egyptian Arabic 1 Harvard Business Press

Kallimni 'Arabi bishweesh is part of a planned series of multi-level Egyptian Colloquial Arabic course books for adults, written by Samia Louis and developed at the International Language Institute (ILI), Cairo. Um Fator de Identidade Cultural do Brasileiro Cambridge University Press

NEW YORK TIMES BESTSELLER • From the stars of the Netflix series *Get Organized with The Home Edit* (with a serious fan club that includes Reese Witherspoon, Gwyneth Paltrow, and Mindy Kaling), here is an accessible, room-by-room guide to establishing new order in your home. "A master class on how to arrange even your most unattractive belongings—and spaces—in an aesthetically pleasing and easy-to-navigate way."—*Glamour* (10 Books to Help You Live Your Best Life) Believe this: every single space in your house has the potential to function efficiently and look great. The mishmash of summer and winter clothes in the closet? Yep. Even the dreaded junk drawer? Consider it done. And the best news: it's not hard to do—in fact, it's a lot of fun. From the home organizers who made their orderly eye candy the method that everyone swears by comes Joanna and Clea's signature approach to decluttering. *The Home Edit* walks you through paring down your belongings in every room, arranging them in a stunning and easy-to-find way (hello, labels!), and maintaining the system so you don't need another do-over in six months. When you're done, you'll not only know exactly where to find things, but you'll also love the way it looks. A masterclass and look book in one, *The Home Edit* is filled with bright photographs and detailed tips, from placing plastic dishware in a drawer where little hands can reach to categorizing pantry items by color (there's nothing like a little ROYGBIV to soothe the soul). Above all, it's like having your best friends at your side to help you turn the chaos into calm. Includes a link to download and print the labels from a computer (you will need 8-1/2 x 11-inch clear repositionable sticker project paper, such as Avery 4397).

O Ensino do Português como Língua de Herança, Língua de Contato e Língua Estrangeira Young Dedalus

The popular Fast and Fun Way language learning series, previously available as book-and-cassette programs and in paperback book-only versions, can now be purchased to teach Spanish and three other languages as a combination book and audio CD package. This program, designed for both travelers and students, instructs in the basics of speaking, understanding, and reading and writing Spanish. Suitable both for adults and older children, the program includes language games and puzzles, cartoon illustrations, vocabulary flash cards, and other features that help make language-learning fun. The four compact discs present dramatized bilingual conversations and introduce students of Spanish to correct pronunciation and listening comprehension.

The Books That Devoured My Father Narr Francke Attempto Verlag

Master essential language skills to build your confidence in basic Portuguese Whether you are learning on your own with a textbook or taking a beginning class, *Practice Makes Perfect: Basic Portuguese* will support your study and build your confidence in your new language. Each bite-sized

lesson of this proven guide focuses on essential vocabulary and key grammar concepts, illustrated with clear examples. You will then learn to communicate in authentic Portuguese: how to meet new people, engage in small talk, express ideas, and more. The Past Web Simon and Schuster

After being cast out of the Clan that had adopted her as a child by the new leader, Ayla shares a lonely valley with a herd of steppe ponies, harnesses their power, and discovers speech and love with Jondalar, a member of her own race. Reprint.

Adventures of an It Leader Simon and Schuster

All the children are different, like different things, behave in different ways and do different things too. Nobody is perfect. Discover a funny little book that will teach us about friendship. Friendship? Children know that. Because they just love their friends, don't they? The story was written by "The Book of The Animals" series' author, J.N. Paquet, whilst the illustrations were created by his 5-year old daughter, I.L. Paquet. This is also a bilingual book. Thus, children can learn another language and have fun at the same time.

Novo Avenida Brasil 3 JNPAQUET Books Ltd

An invaluable tool for learners of Portuguese, this Frequency Dictionary provides a list of the 5000 most commonly used words in the language. Based on a twenty-million-word collection of Portuguese (taken from both Portuguese and Brazilian sources), which includes both written and spoken material, this dictionary provides detailed information for each of the 5000 entries, including the English equivalent, a sample sentence, and an indication of register and dialect variation. Users can access the top 5000 words either through the main frequency listing or through an alphabetical index. Throughout the frequency listing there are also thirty thematically-organized 'boxed' lists of the top words from a variety of key topics such as sports, weather, clothing and relations. An engaging and highly useful resource, A Frequency Dictionary of Portuguese will enable students of all levels to get the most out of their study of Portuguese vocabulary.

Legacies of slavery Routledge

Nos últimos anos, o ensino das variedades linguísticas tornou-se uma temática importante na

didática e linguística aplicada para as línguas estrangeiras. O português como língua policêntrica com uma forte variação diatópica não se exclui deste discurso. Além da questão clássica Que português ensinar e aprender? referindo-se às duas variedades padrão de Portugal e do Brasil, novas perspectivas enfocam o conjunto global das variedades lusófonas e as outras dimensões de variação linguística. Neste volume reúnem-se contributos que abordam a temática em contextos de ensino secundário e superior na Alemanha, em Portugal, na Galiza e em Timor-Leste. Reflexões teóricas, estudos empíricos, análises de manuais e propostas didáticas demonstram a extensão do discurso sobre as variedades no ensino de PLNM.

Now available in PDF format.

A Linguistic Introduction Business Plus

Spanish speakers can learn Brazilian Portuguese much more rapidly than any other language, and thousands of students have used António Simões's text/workbook *Com licença: Brazilian Portuguese for Spanish Speakers* to make the transition between the two languages. Recognizing the need for a text that incorporates current cultural references and the latest language pedagogy, Simões now offers *Pois não: Brazilian Portuguese Course for Spanish Speakers, with Basic Reference Grammar*. *Pois não* contrasts Portuguese and Spanish, which accomplishes two main goals. It teaches the equivalent of one year of college Portuguese in one semester, three times a week, to Spanish speakers who also have a solid understanding of English. Additionally, the book serves as a basic reference guide to Brazilian Portuguese for the same audience. *Pois não* can be used by students in the classroom or by independent learners. Users of the book may focus on the drills alone, concentrate on both the explanations and drills, or use the book as a reference for consultation only. Answers to all of the exercises are included in the book. A CD containing recordings by native Brazilian speakers of dialogues that appear in the book is included.
