Outlines the requirements for the merit badge in rifle shooting and describes the techniques needed to fulfill them.

Gun Digest

Hot guns and hotter action, that's what you get and more in The Complete Guide to 3-Gun Competition, by the master of the craft himself, 3-Gun Nation's own Chad Adams. This explosive, high-octane sport is setting the world of shooting sports on fire. Now, with The Complete Guide to 3-Gun Competition, novices and experts alike have an in-depth, behind-the-scenes look at the match design kings, the wildly wonderful guns and gear, and the hot-shot accuracy superstars that are thrilling crowds everywhere. Inside you'll find: The fascinating history behind the sport, from its not-so-humble beginnings with the controversial Soldier of Fortune organization to the bright lights and big money payouts of today's championship

shoot in Las Vegas and the rockin' TV show that are introducing an entirely new crowd of X-tremers to the sport. Gun and gear highlights that cover the minimalists to the custom works and novel inventions bringing new meaning to the term "speed shooting." Highlights from the first two years of the sport in front of the camera, the thrilling coverage that is 3-Gun Nation, rocking TV consoles everywhere on the NBC Sports Network. And more! Maybe you've dabbled in IPSC, IDPA, and the other sports that came before 3-Gun. Or maybe you've never even heard of "speed shooting" but wondered if there was more to you and your guns than punching holes in paper. Either way, The Complete Guide to 3-Gun Competition will have you hooked. Game on!

This book organizes, explains and analyzes the many laws and best practices in order to ensure that the reader can properly establish and maintain gun trusts and other entities and arrangements to comply with current federal law, and has been written to be understood by both experienced lawyers and gun owners who may not be familiar with legal terminology and arrangements. It can be used as a guide for lawyers who are fluent in trusts, but not gun law, and to provide basic and practical information and guidance for lawyers who are fluent in gun law but do not have special expertise in trust and estate law, with specific information that a trustee or any advisor to a trustee of a gun trust would need to know.

U.S. Tax Guide for Aliens JHU Press

A blistering exposé of the National Rifle Association, revealing its people, power, corruption, and ongoing downfall, from acclaimed NPR investigative reporter Tim Mak "Tenacious, careful and incisive."—Jonathan Swan • "Deeply and meticulously reported, colorfully and precisely written."—Olivia Nuzzi • "Nonstop revelations are told with gripping detail and intimate insider knowledge."—David Frum •

"Fantastic."—Chris Hayes The NRA once compelled respect—even fear—from Republicans and Democrats alike. Once a grassroots club dedicated to gun safety, the NRA ballooned into a powerful lobbyist organization that maintained an iron hold on gun legislation in America. This influential nonprofit raised millions in small fees from members across the country, which funded hidden, lavish lifestyles of designer suits, private jets and yachts, martini lunches and Champagne dinners—while the group manipulated legislators and flirted with a Russian spy. Yet in 2012, the NRA's grip on Washington began to loosen in the wake of the massacre at Sandy Hook Elementary. Facing nationwide outrage, NRA CEO Wayne LaPierre gave a speech claiming the solution was not fewer guns, but more guns, in schools. The group's rhetoric only escalated from there, a misstep that sparked a backlash and invited the scrutiny of the government. Unveiled here for the first time ever are surprising, revelatory details spotlighting decades of poor leadership and mismanagement by LaPierre; the NRA's long association with marketing firm Ackerman-McQueen; NRA executives' 2015 trip to Moscow, a by-invitation affair packed with meetings with Russian government officials, diplomats, and oligarchs seeking influence in American politics; as well as the power struggle between LaPierre and former NRA president Oliver North that fractured the organization. Misfire is the result of a four-year investigation by journalist Tim Mak, who scoured thousands of pages of never-

before-publicized documents and cultivated dozens of confidential sources inside the NRA's orbit to paint a vivid picture of the gun group's rampant corruption and slow decline, marking a sea change in the battle over gun rights and control in America.

The Competitive AR15 Crown

Having shaped our nation since its birth, guns are an integral part of American life. As more and more Americans choose to own firearms, it becomes increasingly important to educate them on proper shooting and handling techniques. Drawing on the National Rifle Association's more than two centuries of shooting experience, as well as the collected knowledge of more than 55,000 certified instructors, *The NRA Step-by-Step Guide to Gun Safety* offers key—and life-saving—advice on using, caring for, and storing handguns, rifles, and shotguns. Packed with essential information and resources, including details on how propellants burn in cartridges, shooting

etiquette on and off the range, and where to find a certified NRA shooting instructor, *The NRA Step-by-Step Guide to Gun Safety* will help reinforce the importance of safe gun-handling habits. Included is information on: The safest and most effective way to store and transport pistols, rifles, and shotguns The anatomy of the many kinds of guns available The proper way to reload any firearm The best way to clean your gun Proper use of eye and ear protection The correct clothing to wear while hunting Whether you are an experienced shooter or haven't shot a round in your life, *The NRA Step-by-Step Guide to Gun Safety* will provide new and enlightening information that will make you, and your family, safer gun owners. Skyhorse Publishing is proud to publish a broad range of books for hunters and firearms enthusiasts.
