Legion: The Many Lives of Stephen Leeds, is #1 New York Times bestselling author Brandon Sanderson's novella collection of science fiction thrillers that will make you question reality--including a never-before-published story. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. His brain is getting a little crowded and the aspects have a tendency of taking on lives of their own. When a company hires him to recover stolen property—a camera that can allegedly

take pictures of the past—Stephen finds himself in an adventure crossing oceans and fighting terrorists. What he discovers may upend the foundation of three major world religions—and, perhaps, give him a vital clue into the true nature of his aspects. Legion: The Many Lives of Stephen Leeds includes Legion, Legion: Skin Deep and the brand new, shocking finale to Leeds' story, Lies of the Beholder.

Alcatraz Versus the Knights of Crystallia
 Tor Books

In 2005, Brandon Sanderson debuted
 with *Elantris*, an epic fantasy unlike any
 other then on the market. To celebrate
 its tenth anniversary, Tor is reissuing
Elantris in a special edition, a fresh
 chance to introduce it to the myriad
 readers who have since become
 Sanderson fans. This new edition begins
 with a preface by author Dan Wells, the
 first person to read the completed novel,
 and a new afterword by Sanderson
 explaining how he came to write the
 book and its place in the Cosmere, the
 unified universe of all his Tor novels.
 Also included is an expanded version of
 the "Ars Arcanum" appendix, with more
 of the technical details of the book's
 magic that fans can never get enough

of. *Elantris* was truly a milestone both for
 Sanderson and for the genre of epic
 fantasy. It deserves this special
 treatment, something Tor has done only
 once before, with Orson Scott Card's
Ender's Game. Sanderson fans old and
 new will be excited to discover it.

Alcatraz vs. The Evil Librarians, The
 Scrivener's Bones, The Knights of
 Crystallia, The Shattered Lens, The Dark

Talent An action-packed fantasy

adventure series by the #1 New York
 Times bestselling author Brandon

Sanderson. Alcatraz Smedry and his
 family and friends must battle a cult of

evil Librarians bent on taking over the
 world through misinformation and

suppressing the truth. Alcatraz vs. the
 Evil Librarians — On his thirteenth

birthday, foster child Alcatraz Smedry
 gets a bag of sand in the mail—his only

inheritance from his father and mother.
 It is quickly stolen by the cult of Evil

Librarians. Alcatraz must stop them,
 using the only weapon he has: an

incredible talent for breaking things. The
 Scriveners Bones — In his second

skirmish against the Evil Librarians who
 rule the world, Alcatraz and his ragtag

crew of freedom fighters track Grandpa
 Smedry to the ancient and mysterious

Library of Alexandria. Can Alcatraz and
 his friends rescue Grandpa Smedry and

make it out of there alive? The Knights of
 Crystallia — Alcatraz Smedry has made

it to the Free Kingdoms at last.

Unfortunately, so have the Evil

Librarians—including his mother! Now
 Alcatraz has to find a traitor among the

Knights of Crystallia, make up with his estranged father, and save one of the last bastions of the Free Kingdoms from the Evil Librarians. The Shattered Lens — Alcatraz Smedry is up against a whole army of Evil Librarians with only his friend Bastille, a few pairs of glasses, and an unlimited supply of exploding teddy bears to help him. This time, even Alcatraz's extraordinary talent for breaking things may not be enough to defeat the army of Evil Librarians and their giant librarian robots. The Dark Talent — Alcatraz Smedry has successfully defeated the army of Evil Librarians and saved the kingdom of Mokia. Too bad he managed to break the Smedry Talents in the process. Even worse, his father is trying to enact a scheme that could ruin the world, and his friend, Bastille, is in a coma. Without his Talent to draw upon, can Alcatraz figure out a way to save Bastille and defeat the Evil Librarians once and for all? The Wheel of Time turns, and Ages come and pass. What was, what will be, and what is, may yet fall under the Shadow. In the Prologue to *The Gathering Storm*, the first volume of the last trilogy of Robert Jordan's *Wheel of Time* epic, Rand al'Thor, the Dragon Reborn, struggles to unite a fractured network of kingdoms and alliances in preparation for the Last Battle. As he attempts to halt the Seanchan encroachment northward---wishing he could form at least a temporary truce with the invaders---his allies watch in terror the shadow that seems to be growing within the heart of the Dragon Reborn himself. As with the previous three titles in the *Wheel of Time* series, this prologue from

Robert Jordan's *The Gathering Storm*, completed by Brandon Sanderson, is available for sale before the book's official release date (October 27, 2009). At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied. [Alcatraz vs. The Evil Librarians Series](#) Tor Books

A Mistborn Novel Feiwel & Friends

This final book in the New York Times-bestselling *Fairyland* series finds September accidentally crowned the Queen of Fairyland. But there are others who believe they have a fair and good claim on the throne, so there is a Royal Race--whoever wins will seize the crown. Along the way, beloved characters including the Wyverary, A-Through-L, the boy Saturday, the changelings Hawthorn and Tamburlaine, the wombat Blunderbuss, and the gramophone Scratch are caught up in the madness. And September's parents have crossed the universe to find their daughter. Who will win? What will become of September, Saturday, and A-Through-L? The answers will surprise you, and are as bewitching and bedazzling as fans of this series by Catherynne M. Valente have come to expect.

Oathbringer Open Road Media
The #1 New York Times bestselling

sequel to Words of Radiance, from epic fantasy author Brandon Sanderson at the top of his game. In Oathbringer, the third volume of the New York Times bestselling Stormlight Archive, humanity faces a new Desolation with the return of the Voidbringers, a foe with numbers as great as their thirst for vengeance. Dalinar Kholin's Alethi armies won a fleeting victory at a terrible cost: The enemy Parshendi summoned the violent Everstorm, which now sweeps the world with destruction, and in its passing awakens the once peaceful and subservient parshmen to the horror of their millennia-long enslavement by humans. While on a desperate flight to warn his family of the threat, Kaladin Stormblessed must come to grips with the fact that the newly kindled anger of the parshmen may be wholly justified. Nestled in the mountains high above the storms, in the tower city of Urithiru, Shallan Davar investigates the wonders of the ancient stronghold of the Knights Radiant and unearths dark secrets lurking in its depths. And Dalinar realizes that his holy mission to unite his homeland of Alethkar was too narrow in scope. Unless all the nations of Roshar can put aside Dalinar's blood-soaked past and stand together—and unless Dalinar himself can confront that past—even the restoration of the Knights Radiant will not prevent the end of civilization. The Way of Kings Tor Books
 From Brandon Sanderson—author of the #1 New York Times bestselling Stormlight Archive and its fourth massive installment, Rhythm of War—comes a new hefty novella, Dawnshard. Taking place between Oathbringer and Rhythm of War, this tale (like Edgedancer before it) gives often-overshadowed characters their own chance to shine. When a ghost ship is discovered, its crew presumed dead after trying to reach the storm-shrouded island Akinah, Navani Kholin must send an expedition to make sure the island hasn't fallen into enemy hands. Knights Radiant who fly too near find their Stormlight suddenly drained, so the voyage must be by sea. Shipowner Rysn Ftori lost the use of her legs but gained the companionship of Chiri-Chiri, a Stormlight-ingesting winged larkin, a species once thought extinct. Now Rysn's pet is ill, and any hope for Chiri-Chiri's recovery can be found only at the ancestral home of the larkin: Akinah. With the help of Lopen, the formerly one-armed Windrunner, Rysn must accept Navani's quest and sail into the perilous storm from which no one has returned alive. If the crew cannot uncover the secrets of the hidden island city before the wrath of its ancient guardians falls upon them, the fate of Roshar and the entire Cosmere hangs in the balance.

The Alloy of Law Tor Books

The shocking conclusion to Brandon Sanderson's Legion novella series, on its own for the first time. Stephen Leeds is perfectly sane. It's his hallucinations who are mad. A genius of unrivaled aptitude, Stephen can learn any new skill, vocation, or art in a matter of hours. However, to contain all of this, his mind creates hallucinatory people—Stephen calls them aspects—to hold and manifest the information. Wherever he goes, he is joined by a team of imaginary experts to give advice, interpretation, and explanation. He uses them to solve problems . . . for a price. When Stephen gets an unexpected cry for help from the woman who taught him how to control his aspects—right when one of his aspects suddenly and violently disappears—it will send him on a case the likes of which he could never have imagined. Delacorte Press

There is a sickness in the land. Prophets tell of the fall of empires, the rise of champions. Great beasts stir in vaults beneath the hills, beneath the waves. Armies mass. Gods walk. The world will be torn asunder. Epic fantasy is storytelling at its biggest and best. From the creation myths and quest sagas of ancient times to the mega-popular fantasy novels of today, these are the stories that express our greatest hopes and fears, that create worlds so rich we long to return to them again and again, and that inspire us with their timeless values of courage and friendship in the face of ultimate evil—tales that transport us to the most ancient realms and show us the most noble sacrifices, the most astonishing wonders. Now acclaimed

editor John Joseph Adams (Wastelands, The Living Dead) brings you seventeen tales by today's leading authors of epic fantasy, including George R. R. Martin (A Song of Ice and Fire), Ursula K. Le Guin (Earthsea), Robin Hobb (Realms of Elderlings), Kate Elliott (Crown of Stars), Tad Williams (Of Memory, Sorrow & Thorn), Patrick Rothfuss (The Kingkiller Chronicle), and more. Return again to lands you've loved or visit magical new worlds. Victory against the coming darkness is never certain, but one thing's for sure—your adventure will be epic.

From #1 New York Times bestselling author Brandon Sanderson, a special gift edition of Edgedancer, a short novel of the Stormlight Archive (previously published in Arcanum Unbounded). Three years ago, Lift asked a goddess to stop her from growing older--a wish she believed was granted. Now, in Edgedancer, the barely teenage nascent Knight Radiant finds that time stands still for no one. Although the young Azish emperor granted her safe haven from an executioner she knows only as Darkness, court life is suffocating the free-spirited Lift, who can't help heading to Yeddaw when she hears the relentless Darkness is there hunting people like her with budding powers. The downtrodden in Yeddaw have no champion, and Lift knows she must seize this awesome responsibility. Words of Radiance Scholastic Inc.

This is the second half of the epic fantasy novel *The Way of Kings*. Roshar is a world of stone and storms. Uncanny tempests of incredible power sweep across the rocky terrain so frequently that they have shaped ecology and civilisation alike. Animals hide in shells, trees pull in branches, and grass retracts into the soil-less ground. Cities are built only where the topography offers shelter. It has been centuries since the fall of the ten consecrated orders known as the Knights Radiant, but their Shardblades and Shardplate remain: mystical swords and suits of armour that transform ordinary men into near-invincible warriors. Men trade kingdoms for Shardblades. Wars were fought for them, and won by them. One such war rages on a ruined landscape called the Shattered Plains. There, Kaladin, who traded his medical apprenticeship for a spear to protect his little brother, has been reduced to slavery. In a war that makes no sense, where ten armies fight separately against a single foe, he struggles to save his men and to fathom the leaders who consider them expendable. Brightlord Dalinar Kholin commands one of those other armies. Like his brother, the late king, he is fascinated by an ancient text called *The Way of Kings*. Troubled by over-powering

visions of ancient times and the Knights Radiant, he has begun to doubt his own sanity. Across the ocean, an untried young woman named Shallan seeks to train under an eminent scholar and notorious heretic, Dalinar's niece, Jasnah. Though she genuinely loves learning, Shallan's motives are less than pure. As she plans a daring theft, her research for Jasnah hints at secrets of the Knights Radiant and the true cause of the war. The result of more than ten years of planning, writing, and world-building, *The Way of Kings* is but the opening movement of *The Stormlight Archive*, a bold masterpiece in the making. Speak again the ancient oaths: Life before death. Strength before weakness. Journey before Destination. And return to men the Shards they once bore. The Knights Radiant must stand again. The story continues in *The Way of Kings: Part Two*.

The Way of Kings, Words of Radiance, Oathbringer, Rhythm of War Tor Books An idealistic young prince convinces an aging warrior and a struggling witch to help him kill the dragon that is terrorizing his kingdom As a vicious dragon stalks the Southlands, Crown Prince Gareth ventures to the forbidding North in search of the only man who can kill it. He is Lord Aversin, the Dragonsbane, whose dragon-slaying days have won him renown across the land. But when Gareth finds Lord Aversin, he discovers the mighty hero is squat and bespectacled, the ruler of a mud-village who admits that he killed the dragon not with a lance, but with ignoble poison. Still, he'll have to do. Gareth and Aversin set off in company with Jenny Waynest, a witch with great ambitions but disappointingly puny powers—a ragtag crew destined to become legendary, or die in the attempt.

From #1 New York Times bestselling author Brandon Sanderson, *Words of Radiance*, Book Two of the Stormlight Archive, continues the immersive fantasy epic that *The Way of Kings* began. Expected by his enemies to die the miserable death of a military slave, Kaladin survived to be given command of the royal bodyguards, a controversial first for a low-status "darkeyes." Now he must protect the king and Dalinar from every common peril as well as the distinctly uncommon threat of the Assassin, all while secretly struggling to master remarkable new powers that are somehow linked to his honorspren, Syl. The Assassin, Szeth, is active again, murdering rulers all over the world of Roshar, using his baffling powers to thwart every bodyguard and elude all pursuers. Among his prime targets is Highprince Dalinar, widely considered the power behind the Alethi throne. His leading role in the war would seem reason enough, but the Assassin's master has much deeper motives. Brilliant but troubled Shallan strives along a parallel path. Despite being broken in ways she refuses to acknowledge, she bears a terrible burden: to somehow prevent the return of the legendary Voidbringers and the civilization-ending Desolation that will follow. The secrets she needs can be found at the Shattered Plains, but just arriving there proves more difficult than she could have imagined. Meanwhile, at the heart of the Shattered Plains, the Parshendi are making an epochal decision. Hard pressed by years of Alethi

attacks, their numbers ever shrinking, they are convinced by their war leader, Eshonai, to risk everything on a desperate gamble with the very supernatural forces they once fled. The possible consequences for Parshendi and humans alike, indeed, for Roshar itself, are as dangerous as they are incalculable. What the Storm Means: Prologue to the Gathering Storm Tor Books

Of the son of a High Duke of the interstellar Empire, much glory is expected. And expected. And still expected, despite endless proof that young Dennison Crestmar has no talent whatsoever for war. But the life Dennison is forced to live will have its surprising lessons to impart... Brandon Sanderson's novels include *Elantris*, the *Mistborn* series (*Mistborn*, *The Well of Ascension*, and *The Hero of Ages*), *Warbreaker*, and the several volumes of the *Stormlight Archive* beginning with 2010's *The Way of Kings*. Following the

death of Robert Jordan in 2007, Jordan's wife and editor Harriet McDougal recruited Sanderson to finish Jordan's multi-volume fantasy series *The Wheel of Time* from Jordan's extensive drafts and notes. Published in 2009, *The Gathering Storm*, by Jordan and Sanderson, is the first of the three volumes that will conclude Jordan's epic. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.
