The Tomb of Tutankhamun: Volume 3

National Geographic Books

Marking the one hundredth anniversary of the discovery of Tutankhamun's magnificent tomb, its incredible treasures are revealed as never before. In 1922, after fifteen years of searching, archaeologists finally discovered the tomb of King Tutankhamun. There, buried alongside the king's mummy, they found more than 5,000 unique objects, from the mundane to the extravagant, from the precious to the everyday. Tutankhamun's spectacular gold mask is justifiably famous, but the rest of the treasures remain largely unknown, their stories untold. In this rich and beautifully illustrated work of history, renowned Egyptologist Toby Wilkinson allows one hundred artifacts from the boy king's tomb to speak again—not only for themselves, but as witnesses of the civilization that created them. A gold-decorated chariot reveals the impressive scale of Egyptian technology. Loaves of bread, baskets of fruit, and jars of wine hint at the fertility of the Nile Valley and the abundant feasts enjoyed by its people. Ebony and ivory from Nubia and a jewel of Libyan desert glass show the range of Egypt's trading and diplomatic networks. Shaving equipment and board games provide a window into the everyday lives of the people. And perhaps most poignant of all the objects in the tomb is one that conjures up a lost world of human experience: Tutankhamun's silver trumpet. Through these treasures, Wilkinson bring us face-to-face with the culture of the pharaohs, its extraordinary development, its remarkable flourishing, and its lasting impact. Filled with surprising insights and vivid details, Tutankhamun's Trumpet offers an indelible portrait of the history, people, and legacy of ancient Egypt.

Tutankhamun's Trumpet: Ancient Egypt in 100 Objects from the Boy-King's Tomb

American Univ in Cairo Press

Features distinctive profiles of nearly two hundred artifacts that represent milestones in Carter's ten-year excavation

of King Tutankhamun's tomb.

King Tutankhamun Metropolitan Museum of Art

In this illuminating account of the life and death of Tutankhamun, Paul Doherty tells the story of bloody intrigue behind the iconic mask. More than 3000 years after his death, the entire civilized world is familiar with the face and burial site of one young Egyptian ruler. It is assumed he died of natural causes, a sad but unavoidable fate. But is there a hidden story? Was Tutankhamun secretly assassinated by the powerful cartel that ran the court and the country? What exactly was the role of the powerful first minister, Ay? Could he have murdered his young charge in order to wear the imperial crown himself?

The Unknown Tutankhamun John Wiley & Sons

A young king... a lost tomb... and a treasure trove of unimaginable splendour... The Legend of Tutankhamun is a sumptuous visual retelling of the story of one of the most well-known Egyptian pharaohs. More than 3,000 years ago, a young boy became King in ancient Egypt and his life, death and final resting place is something that has fascinated people ever since. Readers are taken on a dramatic journey, from the deserts of ancient Egypt to the excavation of Tutankhamun's tomb and the artefacts on show today. As the pages turn, you can witness the passing of a great King, his tomb being lost to the sand dunes, and its thrilling rediscovery. Powerful and vivid illustrations by James Weston Lewis bring the history, discovery and treasures of this young boy and his reign to life.

After Tutankhamun The Salariya Book Company

It is often thought that the story of Tutankhamun ended when the thousands of dazzling items discovered by Howard Carter and Lord Carnarvon were transported to the Egyptian Museum in Cairo and put on display. But there is far more to the boy-king's story. Tutankhamun and the Tomb that Changed the World explores the 100 years of research on Tutankhamun that have taken place since the tomb's discovery, from the several objects in the tomb made of

meteoritic iron that came from outer space to new evidence that shows that Tutankhamun may actually have been a warrior who went into battle. Author Bob Brier also takes readers behind the scenes of the recent CT-scans of Tutankhamun's mummy to reveal more secrets of the young pharaoh. The book also illustrates the wide-ranging impact the discovery of Tutankhamun's tomb had on fields beyond Egyptology. Brier examines how the discovery of the tomb influenced Egyptian politics and contributed to the downfall of colonialism in Egypt. Outside Egypt, the modern blockbuster exhibitions that raise great sums of monies for museums around the world all began with Tutankhamun, as did the idea of documenting every object discovered in place before it was moved. And to a great extent, the modern fascination with ancient Egypt DL Egyptomania DL was also greatly promoted by the Tutmania that surrounded the discovery of the tomb. Deeply informed by the latest research and presented in vivid detail, Tutankhamun and the Tomb that Changed the World is a compelling introduction to the world's greatest archaeological discovery.

The Curse of the Mummy: Uncovering Tutankhamun's Tomb (Scholastic Focus) I Was There

Live from the Crypt is a hilarious information series with an undead chat show format where ghostly historical figures are interviewed by the crew of the show about their lives and experiences, featuring quirky illustrations, comic strips and Q&A-style text. In this volume, the boy pharaoh Tutankhamun talks about his short and mysterious rule as pharaoh of Egypt and his very long afterlife as a mummy, including being discovered by Howard Carter and achieving worldwide fame.

Tells the story of the boy-king, and describes his burial, the quest for his

tomb, the riches found there, and the legendary curse

Tutankhamun's Tomb Usborne Books

The ultimate book on King Tut and his tomb—the most exciting archaeological find the world has ever known—now in a compact edition The tomb of Tutankhamun, with its breathtaking treasures, remains the most sensational archaeological find of all time. This brilliantly illustrated volume takes the reader through Tutankhamun's tomb room-by-room in the order that it was discovered and excavated by Howard Carter, illuminating the tomb's most magnificent artifacts and objects. Leading authority Dr. Zahi Hawass imbues the text with his own inimitable flavor, imagining how the uncovering and opening of the tomb must have felt for Carter, while Sandro Vannini's extraordinary photographs reproduce the objects in infinitesimal detail. Now available in a compact edition, and published to coincide with a global touring exhibition that begins in Los Angeles in March 2018 and ends at the Metropolitan Museum of Art in New York in 2023, this sumptuous volume is the definitive record of Tutankhamun's legacy.

The Discovery of Tutankhamun's Tomb National Geographic Books

A bold new history of the discovery of King Tut and the seismic impact it left on modern society. When it was discovered in 1922, in an Egypt newly independent of the British Empire, the 3,300-year-old tomb of Tutankhamun sent shockwaves around the world. The boy-king became a household name overnight and kickstarted an international obsession that continues to this day. From pop culture and politics to tourism and the heritage industry, it's impossible to imagine the past century without the discovery of Tutankhamun – yet so much of the story remains untold. In *Treasured*, Christina Riggs weaves compelling historical analysis with tales of lives touched, or changed forever, by an encounter with the boy-king. Who remembers that Jacqueline Kennedy first welcomed the young pharaoh to America? That a Tutankhamun revival in the 1960s helped save the ancient temples of Egyptian Nubia? Or that the British Museum's landmark Tutankhamun exhibition in 1972 remains its most successful ever? But not everything about 'King Tut' glitters: tours of his treasures in the 1970s were linked to Big Oil, his mummified remains have been exploited in the name of science, and accounts of his tomb's discovery exclude Egyptian archaeologists. *Treasured* offers a bold new history of the young pharaoh who has

as much to tell us about our world as his own.

The Tomb of Tutankhamun: Volume 1 Routledge

This is the fascinating story of the greatest archeological discoveries ever, the discovery of the intact tomb of the 18th Dynasty Pharaoh, Tutankhamun (colloquially known as "King Tut" and "the boy king"), in November 1922. We experience the adventure, the painstaking work, the magic, the excitement and the awe through the eyes of the "tomb raider" himself, archaeologist Howard Carter.

Tutankhamun's Funeral Bloomsbury Publishing

The spectacular treasures from the tomb of Tutankhamun have been admired by millions of visitors to museum exhibitions around the world; this book places these masterpieces in the context of Egyptian art history. In this book, the author shed the light on the history, the art and the Aton religion in Egypt during the period proceeding the reign of Tutankhamun, as well as the impressive discovery of his tomb. This work offers a historical, symbolic and artistic study covering a considerable number of artifacts and masterpieces from the collection of Tutankhamun, the child King.

Tutankhamun Routledge

Tutankhamun puts the boy king's short life into context by describing and explaining the complexities of life in Ancient Egypt. Covering the work of earlier Egyptologists, it details the actual discovery and original expedition, drawing on the personal archives of Howard Carter himself. On 26 November 1922, Howard Carter and Lord Carnarvon discovered the tomb of Tutankhamun. The world was entranced. Never before had a tomb been found in such a perfect condition, with all the richness of its contents still intact. The stories that have since grown up around the discovery of the tomb and of the boy king who lay undisturbed for over 3,000 years have become legendary and continue to fire imaginations around the world. This book tells those stories, and uncovers the reality behind them.

Tutankhamun's Armies e-artnow

One of Egypt's premier archaeologists offers a visual tour of the great treasures of ancient Egypt in a companion volume to the 2008 U.S. exhibition that includes the magnificent artifacts found in the tomb of the boy pharaoh Tutankhamun and that surveys three thousand years of ancient Egyptian history and the lives of its great pharaohs. 17,500 first printing.

Tutankhamun The Boy King Bloomsbury Publishing USA

In 1907, more than a decade before the

discovery of Tutankhamun's tomb, archaeologists unearthed remains from the mummification and funeral of the pharaoh, who ruled ancient Egypt in the 14th century B.C. Now in the collection of The Metropolitan Museum of Art, these materials provide physical evidence of burial rites of the now-legendary king, who is making headlines once again after new scientific investigations to determine the cause of his early death. Tutankhamun's Funeral includes a classic text written in 1941 by Herbert E. Winlock, one of the early 20th century's leading Egyptologists, featuring in-depth analysis of the objects and their significance. In addition, an introduction and appendix by Dorothea Arnold update the findings with recent scholarship. The book is illustrated throughout with new color photography as well as many historical images and drawings.

Tutankhamun National Geographic Society

"The tomb of Tutankhamun, with its breathtaking treasures, remains the most sensational archaeological find of all time. This brilliantly illustrated volume takes the reader through Tutankhamun's tomb room-by-room in the order that it was discovered and excavated by Howard Carter in 1922. Dr Zahi Hawass imbues the text with his own inimitable flavor, imagining how the uncovering and opening of the tomb must have felt for Carter, while Sandro Vannini's extraordinary photographs reproduce the objects in infinitesimal details.
