Case Studies in Generalist Practice Brooks/Cole Publishing Company

EMPOWERMENT SERIES: GENERALIST PRACTICE WITH ORGANIZATIONS AND COMMUNITIES, 7th Edition is designed to help students better understand the dynamics of macro practice, and develop the competencies and practice behaviors required by the Council on Social Work Education's (CSWE) latest Educational Policy and Accreditation Standards (EPAS). Authors Karen Kirst-Ashman and Grafton Hull are adept at creating interesting, realistic cases and practical examples that are skillfully woven into the main text. In clear and accessible writing, they emphasize the practical skills students will need to work effectively in the area of macro practice -- providing leadership, working with supervisors, managing conflict, working with the media, using new technological advances, fundraising, grant writing, and managing stress. The text continues to emphasize the connections between working for change in organizations and communities and the skills used in other generalist practice courses. Important Notice: Media content referenced within the product description or the product text may not be available in the ebook version.

Foundations of Interpersonal Practice in Social Work John Wiley & Sons

This basic textbook seeks to establish a "task-centered" methodology -- a structured, short-term, problem-solving approach -- applicable across systems at five levels of practice: the individual, the family, the group, organizations, and communities. The second edition offers more information on systems theories and includes case studies with each chapter. Checklists are provided for each level of practice along with questions for consideration and practice exercises to help students monitor their understanding and skill development.

Generalist Social Work Practice Thomson

This book is a compilation of real cases submitted by social workers and faculty teaching social work courses. The cases help students understand how clients, issues, and agencies interact, as well as see how that understanding connects with the actual "doing" of generalist social work practice. The cases reflect a broad range of courses in the social work curriculum and the most current CSWE standards.

Empowerment Series: Introduction to Social Work & Social Welfare: Critical Thinking Perspectives Brooks Cole

Examining all aspects of group work that generalist social workers are likely to encounter, *Generalist Social Work Practice with Groups* uses a practical and applied approach to show how to effectively form and facilitate groups. It is the third in a series of generalist texts by Stephen Yanca and Louise Johnson that uses the authors' generalist model with individuals, families, groups, organizations, and communities.

A Worktext Cram101

UNDERSTANDING HUMAN BEHAVIOR AND THE SOCIAL ENVIRONMENT, 11th Edition, looks at the lifespan through the lens of social work theory and practice, covering human development and behavior theories within the context of individual, family, group, organizational, and community systems. Using a chronological lifespan approach, the book presents separate chapters on biological, psychological, and social impacts at the different lifespan stages with an emphasis on strengths and empowerment. Part of the Brooks/Cole Empowerment Series, this edition is up to date and thoroughly integrates the core competencies and recommended behaviors outlined in the current Educational Policy and Accreditation Standards (EPAS) set by the Council on Social Work Education (CSWE). Empowerment Series - Understanding Generalist Practice + the Social Work Skills Workbook, 8th Ed + Mindtap Social Work for Kirst-ashman/Hull's

Empowerment Series - Understanding Generalist Practice, 1 Term Brooks Cole

The social worker's guide to integrating theory and practice *Applying Theory to Generalist Social Work Practice* teaches aspiring social workers how to apply theory in real world practice. Fully aligned with the Council on Social Work Education's 2015 Educational Policy and Accreditation Standards, the book links theory to practice with clear, concise instruction including a discussion of evidence-based practice. Twelve commonly-used theories are thoroughly explained, with discussion of the strengths and limitations of each, and applied to real work with individuals, groups, families, communities, and organizations. The book includes case studies and first-person contributions from practicing social workers to illustrate the real-world scenarios in which different concepts apply. Critical thinking questions help students strengthen their understanding of the ideas presented. Tools including a test bank, PowerPoint slides, and an instructor's manual are available to facilitate classroom use, providing a single-volume guide to the entire helping process, from engagement to termination. Practice is a core foundational course for future social workers, but many practice texts focus on skills while neglecting the theoretical basis for social work. *Applying Theory to Generalist Social Work Practice* fills that gap by covering both skills and theory in a single text. Examines the applications of prevailing social theories Covers the most common theories used in micro, mezzo, and macro practice Helps readers understand well-established approaches like strengths perspective, humanistic and client-centered, task-centered, and solution-focused brief therapy Shows how to apply major theories including ecological/system, cognitive/behavioral, conflict, empowerment, narrative, crisis, critical, and feminist An effective social worker recognizes the link between theory and practice, and how the two inform each other to culminate in the most effective intervention and most positive outcome for the client. *Applying Theory to Generalist Social Work Practice* provides students with a roadmap to the full integration of philosophy and application in social work.

ALERT: Before you purchase, check with your instructor or review your course syllabus to ensure that you select the correct ISBN. Several versions of Pearson's MyLab & Mastering products exist for each title, including customized versions for individual schools, and registrations are not transferable. In addition, you may need a CourseID, provided by your instructor, to register for and use Pearson's MyLab & Mastering products. Packages Access codes for Pearson's MyLab & Mastering products may not be included when purchasing or renting from companies other than Pearson; check with the seller before completing your purchase. Used or rental books If you rent or purchase a used book with an access code, the access code may have been redeemed previously and you may have to purchase a new access code. Access codes Access codes that are purchased from sellers other than Pearson carry a higher risk of being either the wrong ISBN or a previously redeemed code. Check with the seller prior to purchase. -- An empowerment-based method of social work which integrates core themes of the profession. This text is part of the Connecting Core Competencies Series. *Generalist Social Work Practice*, 7th edition, fully integrates core social work themes of collaboration, the strengths perspective, values and ethics, social justice and human rights, evidence-based practice, cultural competence, and policy practice. This text offers a progressive practice approach grounded in social work research, reflective of social work values, sensitive to client diversity, and applicable to work with any level of client system including individuals, families, groups, organizations, and communities. Beginning with engaging clients as partners and continuing with assessing, intervening, and evaluating from a strengths perspective, this approach offers social workers a method that fully realizes core social work values, respects client competence, and activates client resources within the context of their lives. All parts of the practice process are described in detail, connected to social work theory, illustrated with case examples, and supported with evidence from social work research. Each chapter focuses on teaching the knowledge, values, and skills reflective of the core competencies and correlated practice behaviors as described in the 2008 Educational Policy and Accreditation Standards (EPAS). A better teaching & learning experience This program will provide a better teaching and learning experience--for you and your students. Here's how: Personalize Learning -- MySearchLab delivers proven results in helping students succeed, provides engaging experiences that personalize learning, and comes from a trusted partner with educational expertise and a deep commitment to helping students and instructors achieve their goals. SAGE Publications

Karen K. Kirst-Ashman's introductory book enhances readers' ability to grasp the essence and spirit of generalist social work and the issues in social welfare that social workers address every day. Giving those who are contemplating a career in social work a solid introduction to the profession, Kirst-Ashman presents a balanced introductory look within a unifying theme of critical thinking that trains readers to be more evaluative of key concepts. This fifth edition is completely updated in every chapter, and includes practice concepts, social welfare policy concepts, history and current state of the profession, the contexts of practice and populations served, and professional development. Written in a clear and straightforward manner, the book provides numerous case examples to illustrate social work practice. Studyguide for Understanding Generalist Practice by Kirst-Ashman, Karen K., ISBN 9781285748030 SAGE Publications

"Generalist Social Work Practice is designed for use in practice courses in social work at the undergraduate level. This text provides the theoretical and practical knowledge needed for entry-level social work. Material is presented covering generalist practice, social work values, confidentiality, principles of interviewing, skills required for social work with individuals, groups, families, organizations and community practice. It also covers assessment, evaluation, evidence-based practice, general systems theory, diversity, self-care, and the frustrations and satisfactions of being a social worker. The text describes a variety of approaches to social work practice including cognitive therapy, reality therapy, rational therapy, and behavior therapy. Case examples are included to illustrate the theories that are presented. A large number of skill building exercises are included so that readers can practice applying theoretical concepts"--

Student Manual for Understanding Generalist Practice Brooks/Cole Publishing Company

With its step-by-step approach to implementing planned change, emphasis on skill-building, integration of social work values and ethics, and compliance with new accreditation standards, UNDERSTANDING GENERALIST PRACTICE, International Edition is one of the most comprehensive generalist practice texts available today.

Advocacy Practice for Social Justice Cengage Learning

This hands-on text offers a practical, user-friendly, and comprehensive introduction to foundation macro practice. Now thoroughly updated to reflect the latest CSWE ethical standards and current social work literature, this revision of Kirst-Ashman and Hull's standard-setting text is very practice-focused, offering lively vignettes and a wide variety of Highlights that include hands-on tips and sample forms. Encouraging students to build on their one-on-one (micro) and group (mezzo) communication skills, the authors provide a guided, step-by-step framework for planned community and organizational change. At the heart of the book are two models, PREPARE and IMAGINE, which provide valuable frameworks for effective macro social work practice. A running case study illustrates these models in action and provides a valuable framework for effective macro social work practice. Many hands-on skills useful in macro practice-such as working with the media, using new technological advances, fund-raising, grant writing, working within court settings-are provided to enhance your students' expertise.

Understanding Generalist Practice Cram101

Organized around the authors' coherent and cohesive Generalist Intervention Model, this introductory guide to generalist social work practice gives students the knowledge and skills they need to work with individuals and families, as well as the foundation to work with groups, communities, and organizations. Updated to reflect current topics and practice, the book focuses on micro levels of social work practice while also discussing the interrelationship between the micro, mezzo, and macro levels. Part of the BROOKS/COLE EMPOWERMENT SERIES, UNDERSTANDING GENERALIST PRACTICE, 7th Edition, clearly identifies content related to the latest Council on Social Work Education (CSWE) Educational Policy and Accreditation Standards (EPAS) with icons throughout the text. New learning objectives, which are correlated to chapter headings and summaries, guide students' reading and reinforce their understanding.
