**Walking Towards  
The Ocean** Players  
Press

" In 1941 Berek  
Jakubowicz (now  
Benjamin Jacobs) was  
deported from his  
Polish village and

remained a prisoner of the Reich until the final days of the war. His possession of a few dental tools and rudimentary skills saved his life. Jacobs helped assemble V1 and V2 rockets in Buchenwald and Dora-Mittelbau; spent a year and a half in Auschwitz, where he was forced to remove gold teeth from corpses; and survived the RAF attack on three ocean liners turned prison camps in the Bay of Lubeck. This is his story.

### **Spring Cleaning**

Antonio Tombolini  
editore

A “beautifully written” dark fable from a doll’s point of view—by the New York

Times–bestselling author of *The Lost Daughter* and the Neapolitan Novels (The

Washington Post). One of NPR’s Best Books of the Year. Readers of Elena Ferrante’s *The Lost Daughter* may recall the little doll—lost or stolen—around which that novel revolves. Here, Ferrante retells the tale from the doll’s perspective. Celina is having a terrible night, one full of jealousy for the new kitten, Minù; feelings of abandonment and sadness; misadventures at the hands of the beach attendant; and dark dreams. But she will be happily found by Mati, her child, once the sun rises . . . “Everyone should read anything with Ferrante’s name on it.” —The Boston Globe

Uno, nessuno e

centomila (Audio-eBook)il Narratore  
*Tutti i romanzi* Edicions  
Universitat Barcelona  
Luigi Pirandello  
(1867-1936), world-renowned writer, is arguably best known in the US as a dramatist, particularly for the innovative "theatre within the theatre" aspect of his 1926 "Six Characters in Search of an Author" (Sei personaggi in cerca d'autore), which has been called a "technical tour de force" and is still considered an avant-garde masterpiece. Rather prolific, Pirandello produced hundreds of short stories, several novels, and much poetry in addition to about 50 plays. He was awarded the 1934 Nobel Prize in Literature for "his

almost magical power to turn psychological analysis into good theater." (He was also quite capable of turning psychological analysis into good prose, I might add.)  
Uno nessuno centomila  
Abrams  
In *Beyond Good and Evil*, Nietzsche accuses past philosophers of lacking critical sense and blindly accepting dogmatic premises in their consideration of morality. Specifically, he accuses them of founding grand metaphysical systems upon the faith that the good man is the opposite of the evil man, rather than just a different expression of the same basic impulses that find more direct expression in the evil man. The work moves into the realm "beyond good

and evil" in the sense of leaving behind the traditional morality which Nietzsche subjects to a destructive critique in favour of what he regards as an affirmative approach that fearlessly confronts the perspectival nature of knowledge and the perilous condition of the modern individual.

*Uno, nessuno e centomila* (Audio-eBook) Greenbooks editore

Regarded as one of Europe's great modernists, Pirandello was also a master storyteller, a fine observer of the drama of daily life with a remarkable sense of the crushing burdens of class, gender, and social conventions. Set in the author's birthplace of Sicily,

where the arid terrain and isolated villages map the fragile interior world of his characters, and in Rome, where modern life threatens centuries-old traditions, these original stories are sun baked with the deep lore of Italian folktales. In "The Jar," a broken earthenware pot pits its owner, a quarrelsome landholder, against a clever inventor of a mysterious glue. "The Dearly Departed" tells the story of a young widow and her new husband on their honeymoon, haunted at every turn by the sly visage of the deceased. The scorned lover, the despondent widow, the intransigent bureaucrat, the wretched peasant—Pirandello's characters expose the

human condition in all its fatalism, injustice, and raw beauty. For lovers of Calvino and Pasolini, these picturesque stories preserve a memory of an Italy long gone, but one whose recurring concerns still speak to us today.

L'Audio Antologia della Letteratura Italiana in Audio-eBook è strumento didattico eccezionale per tutti gli studenti italiani e per gli stranieri che desiderano approfondire la storia della lingua letteraria del Bel Paese! I brani dei più conosciuti e studiati scrittori italiani possono essere ascoltati in sincronia con i testi che sono evidenziati automaticamente, ordinati per periodo

storico e facilmente rintracciabili con un solo click. Le audiolibretti, realizzate da narratori professionisti, sono fruibili con tutti i dispositivi attualmente disponibili. L'AALI è un'opera in due volumi. Questo secondo volume contiene un totale di 114 brani audio di 48 autori dal 1800 al 1900 letti da 30 narratori professionisti. L' AALI Vol. II è un viaggio sonoro attraverso la storia della lingua italiana degli ultimi due secoli, i suoi mutamenti, i suoi stili letterari, i suoi generi, il suo lessico e le sue tematiche, dove le voci guidano alle corrette pronunce e cadenze della lingua e aiutano ad estendere l'immaginazione, le emozioni, le riflessioni e i significati propri

della cultura letteraria italiana, dai 'Promessi Sposi' di Alessandro Manzoni ai 'Malavoglia' di Giovanni Verga passando per i brani letterari più famosi di Foscolo, Leopardi, Svevo, D'Annunzio, Moravia e tanti altri fino ad alcuni autori contemporanei. Uno strumento prezioso per gli studenti e per tutti coloro che desiderano conoscere l'evoluzione della lingua del Bel Paese! Italia en la prensa periódica durante el franquismo (eBook)

Bloomsbury Publishing  
Evoking in vivid detail the literary world in Rome at the turn of the century. Her Husband tells the story of Silvia Roncella, a talented young female writer, and her husband Giustino Boggiolo. The novel opens with their arrival in Rome after having left their provincial southern Italian hometown following the success of Silvia's first novel, the rather humorously titled House of Dwarves. As his wife's self-appointed (and self-important) promoter, protector, counselor, and

manager, Giustino becomes the primary target of Pirandello's satire. But the couple's relationship - and their dual career - is also complicated by a lively supporting cast of characters, including literary bohemians with avant-garde pretensions and would-be aristocratic aesthetes who are all too aware of the newly acquired power of journalists and the publishing establishment to make or break their careers. Having based many of the characters - including Silvia and Giustino - on actual literary acquaintances of his, Pirandello reacted to the novel's controversial reception by not allowing it to be reprinted after the first printing sold out. Not until after his death

were copies again made available in Italy.

La Vita Nuda Penn State Press

The fourth installment in the Rocco Schiavone mystery series from the international bestselling author, Antonio Manzini picks up three days after his last novel, *Out of Season*, left off, as Rocco seeks revenge for a friend—and closure for himself. Rocco is still reeling from the death of his best friend's girlfriend, who was murdered as she slept in his bed. There's no doubt that she was in the wrong place at the wrong time and paid the ultimate price. With the identity of the hitman still unknown, a cloud lingers over Rocco, dulling his judgment and leaving this anti-hero exposed to other

threats. For Rocco has stepped on one too many people's toes over the years, namely the mafia that is still being rooted out in Aosta. To complicate matters, the kidnapped teenager that Rocco saved has not fully recovered. But all is not as it appears with that family. Her mother, father, and boyfriend are all running some sort of farce that Rocco can't easily crack. And now he must grapple between these two parallel investigations and find answers once and for all...before one too many skeletons come after him. With the same clever insights, vitality, and humor readers have come to expect from Manzini, *Spring Cleaning* is another engaging, page-turning

mystery.

I Romanzi Oberon  
Books

Over the past century, the Italian landscape has undergone exceedingly rapid transformations, shifting from a mostly rural environment to a decidedly modern world. This changing landscape is endowed with a narrative agency that transforms how we understand our surroundings. Situated at the juncture of Italian studies and ecocriticism and following the recent “material turn” in the environmental humanities, *Elemental Narratives* outlines an original cultural and environmental map of the *bel paese*. Giving equal weight to readings of fiction, nonfiction, works of visual art, and physical

sites, Enrico Cesaretti investigates the interconnected stories emerging from both human creativity and the expressive eloquence of “glocal” materials, such as sulfur, petroleum, marble, steel, and asbestos, that have helped make and, simultaneously, “un-make” today’s Italy, affecting its socio-environmental health in multiple ways. Embracing the idea of a decentralized agency that is shared among human and nonhuman entities, Cesaretti suggests that engaging with these entangled discursive and material texts is a sound and revealing ecocritical practice that promises to generate new knowledge and more participatory, affective responses to

environmental issues, both in Italy and elsewhere. Ultimately, he argues that complementing quantitative, data-based information with insights from fiction and nonfiction, the arts, and other humanistic disciplines is both desirable and crucial if we want to modify perceptions and attitudes, increase our awareness and understanding, and, in turn, develop more sustainable worldviews in the era of the Anthropocene. Elegantly written and convincingly argued, this book will appeal broadly to scholars and students working in the fields of environmental studies, comparative literatures, ecocriticism, environmental history, and Italian studies.

Short Stories in English for Beginners

Uno, nessuno e centomila (Audio-eBook)  
A long-awaited theatrical and literary event; this posthumously published and unfinished play has been provided with the missing final scene by Charles Wood. The action takes place in the fantastic Villa Scalogna, inhabited by a grotesque group of people led by Cotrone, a wizard and illusionist. Into this scene comes a band of actors, about to perform one of Pirandello's own plays. The Mountain Giants was first produced at the National Theatre in the summer of 1993. Pirandello's prolific writing career was unusual in that he had already earned a considerable

reputation as a poet and prose author before turning to the theatre relatively late in life. The premiere of *Six Characters in Search of an Author* in 1921 established him internationally as Italy's leading playwright.

Yale University Press

RACCONTO LUNGO (36 pagine) -

FANTASCIENZA - Aveva commesso un crimine e scontato la sua pena: la sua personalità era stata cancellata e rimpiazzata. Ma forse qualcosa non aveva funzionato come previsto. PREMIO

COURMAYEUR 1996 La prima cosa che ricordò al suo risveglio era il suo nome: Luca Rosati. Subito dopo scoprì che non lo era affatto. La soluzione definitiva al problema delle carceri

è la Riabilitazione. In gergo chiamata anche "Ripasso". Il condannato viene riscritto: sulla sua personalità viene sovrainpressa una personalità modello, ricavata da una persona di specchiata onestà, perfettamente integrata nella società. Così Angelo Morabito scopre che quella di Luca Rosati non è la sua identità, ma solo un ricordo stampato nel suo cervello in seguito a una condanna. Ma forse anche questa non è tutta la verità. C'è qualcosa nel suo passato di poco chiaro. E forse la realtà è ancora peggiore di quanto non sembri. Silvio Sosio, giornalista, è direttore della rivista "Robot" e del magazine online "Fantascienza.com".

Ha pubblicato poco più di una decina di racconti soprattutto tra gli anni Ottanta e Novanta, uno dei quali è stato anche tradotto in Francia e incluso in un'antologia del meglio della fantascienza. Il suo ultimo racconto è uscito su "Urania" nel 2009, nella stessa settimana in cui è nato suo figlio. In seguito ha preferito dedicarsi alla selezione e valutazione dei racconti altrui. Vive a Milano e si divide tra l'attività editoriale e lo sviluppo di siti web.

*Hello, Molly!* Jumpstart request for Mondadori Libri Electa Trade  
 "La realtà che ho io per voi è nella forma che voi mi date; ma è realtà per voi e non per me; la realtà che voi avete per me è nella forma che io vi do; ma è realtà per me e non per voi; e per me

stesso io non ho altra realtà se non nella forma che riesco a darmi. E come? Ma costruendomi, appunto." Uno, nessuno e centomila, iniziato nel 1909, fu pubblicato solo nel 1926; come il Fu Mattia Pascal è un romanzo retrospettivo, condotto da una voce narrante che è anche protagonista della vicenda. Il personaggio principale, Vitangelo Moscarda è un inetto, che non si riconosce nel suo corpo e che proprio da un difetto del suo corpo, inizia una riflessione lunga e dolorosa sul senso della vita. Attraverso una serie di considerazioni e il rifiuto della figura paterna, Moscarda si convince che l'uomo non è "uno", ma "centomila", avendo

egli tante identità  
quante gliene  
attribuiscono  
dall'esterno. Nel finale  
il protagonista si  
risolve a diventare  
"nessuno", vivendo  
come un sasso, una  
pianta, un essere  
inanimato, immerso  
nel fluire insensato  
della vita.

The Turn Europa  
Editions

The surprising  
connections which  
have developed  
between physics and  
various fields as  
diverse as biology and  
economics now  
constitute the  
fascinating research  
area known as complex  
materials and systems.  
The study of complex  
materials and  
processes is rapidly  
expanding, and many  
important  
experimental and  
theoretical discoveries

have been made in  
recent years. Statistical  
physics is key to  
exploring this new and  
expanding field,  
enabling an  
understanding of real-  
world phenomena  
compromised of  
complex materials or  
exhibiting complex  
processes. This book  
includes lectures  
presented at the  
CLXXVI International  
School of Physics  
oEnrico Fermio, held in  
Varenna, Italy, in July  
2010. The school  
focused on recent  
advances and  
developing  
perspectives in the  
study of complex  
materials and  
processes, as related  
to physics and biology.  
The book provides both  
an introduction and a  
complete presentation  
of recent theoretical  
and experimental

developments for each topic. Topics addressed include: scaling and universality, supra-molecular systems and solutions, polymer systems, static and dynamics of liquid water, arrested dynamics and jamming, dynamics of out of equilibrium systems, physics of confined liquids, granular matter, physics of biological and medical systems, networks in physical and social sciences, turbulence in physics, biology and economics and finally, switching phenomena in biology and economics. The book provides reviews of these cutting edge topics by leading authorities and will be a reference work useful to both advanced research professionals and beginning

graduate students.

**The Comedies of Carlo Goldoni** New York Review of Books  
An unmissable collection of eight unconventional and captivating short stories for young and adult learners. "I love Olly's work - and you will too!" - Barbara Oakley, PhD, Author of New York Times bestseller *A Mind for Numbers* Short Stories in English for Beginners has been written especially for students from beginner to intermediate level, designed to give a sense of achievement, and most importantly - enjoyment! Mapped to A2-B1 on the Common European Framework of Reference, these eight captivating stories will both entertain you, and give you a feeling of

progress when listening. What does this book give you? · Eight stories in a variety of exciting genres, from science fiction and crime to history and thriller - making learning fun, while you gain a wide range of new vocabulary · Controlled language at your level, including the 1000 most frequent words, to help you progress confidently · Authentic spoken dialogues, to help you learn conversational expressions and improve your speaking ability · Pleasure! It's much easier to learn a new language when you're having fun, and research shows that if you're enjoying listening in a foreign language, you won't experience the usual feelings of frustration -

'It's too hard!' 'I don't understand!' · Accessible grammar so you learn new structures naturally, in a stress-free way Carefully curated to make learning a new language easy, these stories will entertain you, while at the same time allowing you to benefit from an improved range of vocabulary and a better grasp of the language, without ever feeling overwhelmed or frustrated. From science fiction to fantasy, to crime and thrillers, Short Stories in English for Beginners will make learning English easy and enjoyable. Odysseus Italcia Pr Marcantonio Ravì has a plan: to give his beautiful daughter, Stellina, in marriage to the elderly but hugely

wealthy Don Diego Alcozèr. Justifying his decision to appalled family and neighbors, he encourages the lazy Pepè Alletto to take a longer view—in only a few years, following Don Diego's death, a younger, more suitable husband can be found. Stellina herself is bitterly opposed to the marriage, fainting at her wedding party; and events spiral further out of control when Pepè's bullish lawyer brother-in-law becomes involved.

### **As You Desire Me**

Prabhat Prakashan  
Uno, nessuno e centomila è l'ultimo romanzo di Luigi Pirandello, il romanzo 'più amaro di tutti, profondamente umoristico, di scomposizione della vita' come affermò lo stesso autore. La

filosofia pirandelliana trova qui il suo totale compimento attraverso il protagonista, il 'pazzo' Vitangelo Moscarda, che assorbe in sé e supera tutti i personaggi presenti nelle opere precedenti dello scrittore siciliano. Moscarda, partendo dalla scoperta di avere il naso lievemente storto, si avventura in una serie di ricerche speculative ed esistenziali che lo porteranno prima alla rovina e poi alla successiva rinascita tramite l'autoesclusione dalla vita sociale e dalla visione comune degli uomini. La voce del narratore dà forma e concretezza vivente a un monologo ricco di interrogazioni ed esclamazioni proprio come fosse un'opera teatrale ma in realtà si

rivolge, al di là del palcoscenico, direttamente all'orecchio dell'ascoltatore e alla sua coscienza. La lettura è affidata a Giancarlo Previati. Questo Audio-eBook è in formato EPUB 3. Un Audio-eBook contiene sia l'audio che il testo e quindi permette di leggere, di ascoltare e di leggere+ascoltare in sincronia. Può essere letto e ascoltato su eReader, tablet, smartphone e PC. *One, No One & 100,000: A Fresh, Modern Translation by*

*Kevan Houser Newton*  
Compton Editori  
A New York Times bestseller *A candid, compulsively readable, hilarious, and heartbreaking memoir of resilience and redemption by comedic genius Molly Shannon*  
*At age four, Molly Shannon's world was shattered when she lost her mother, baby sister, and cousin in a car accident with her father at the wheel. Held together by her tender and complicated relationship with her grieving father, Molly was raised in a permissive household where her gift for improvising and role-playing blossomed alongside the fearlessness that would lead her to become a celebrated actress. From there, Molly*

ventured into the wider world of New York and Los Angeles show business, where she created her own opportunities and developed her daring and empathetic comedy. Filled with behind-the-scenes stories involving everyone from Whitney Houston to Adam Sandler to Monica Lewinsky, many told for the first time here, *Hello, Molly!* spans Molly's time on *Saturday Night Live*—where she starred alongside Will Ferrell, Adam Sandler, Cheri Oteri, Tracy

Morgan, and Jimmy Fallon, among many others. At the same time, it explores with humor and candor her struggle to come to terms with the legacy of her father, a man who both fostered her gifts and drive and was left with the impossible task of raising his kids alone after the loss of her mother. Witty, winning, and told with tremendous energy and heart, *Hello, Molly!*, written with Sean Wilsey, sheds new and revelatory light on the life and work of one of our most talented and free-spirited performers.
