National Geographic Books

The Pilgrims called the celebration the Harvest Feast. The Pawtuxet Indians thought of it as the Green Corn Dance. But the first Thanksgiving was much more than that. Join Newbery Medalist Jean Craighead George and beloved illustrator Thomas Locker as they trace the passage of time from the melting of the glaciers that created Cape Cod and Plymouth Rock, to the moment the Pawtuxet Indians and the Pilgrims met and feasted on the bounty of the New World. From the simple

text to the lush illustrations, the story of a harvest feast turned beloved tradition will captivate readers young and old. "Correcting misconceptions and clarifying contemporary attitudes, this beautiful book brings fresh insight and a fairer balance to the traditional story."—Kirkus Reviews

of the Pilgrims and the Indians in New England in 1621. But fifty-six years before the Pilgrims celebrated, Spanish explorer Pedro Menendez arrived on the coast of Florida and founded the first North American city, St. Augustine. On September 8, 1565, the Spanish and the native Timucua celebrated with a feast of Thanksgiving. The Spanish most likely offered cocido, a rich stew made with pork, garbanzo beans, and onions. Perhaps the Timucua provided wild turkey or venison, or even alligator or tortoise, along with corn, beans, and squash. Learn about our real first Thanksgiving. Learn about Spain and Florida in the 1560s. And make your own cocido from a recipe provided in this important and groundbreaking book.
